STAINLESS STEEL AISI 316L

**ACCIAIO, UNA SCELTA GREEN**

*Alla base della scelta di impiegare l'acciaio inox vi è una continua e sempre maggiore richiesta degli utenti finali di avere un prodotto, oltre che affidabile ed elegante, anche sostenibile e duraturo nel tempo.*

**STAINLESS STEEL, A GREEN CHOICE**

The reason of using stainless steel is and ever-increasing demand from end users to have products that are not only reliable and appealing but also sustainable and long-lasting.
